Glory to God in the highest
O sovereign Lord of all.

You know what was, what is and what is to come.
We are here but for a brief time and see not the
perfection of your plans.

Glory to God in the highest
Great creator of all that is in this world.

You filled this world with all types of living creatures,
Each and every one of which you treasure.

Glory to God in the highest
No matter what is happening around us
You transform events to offer opportunities to
glorify you.

You offer to transform us, as your sons and
daughters.

Glory to God in the highest
Your stores of grace are bountiful.
Your grace waits for us to answer your gentle voice
in our hearts.
Your grace is ever ready to shower down upon us.

Glory to God in the highest
Your forgiveness is readily available.
We need only to ask with repentant hearts
And be ready to obey your commands.

Glory to God in the highest
Holy and merciful are you.
You forever seek to bless your faithful flock
When obedient and trusting are we.

Glory to God in the highest
O Lord, you are mighty to save.
The redemption of our sins by the blood of your Son
Humbles the faithful and gives us hope.

This poem was written to express praise to our God for all that God is and does. While it doesn't relate directly to this ministry, perhaps it expresses something of my deepening relationship with God through the mission work.

This spring I have another new course but this time it is part of the new curriculum. Here you see some of my students working with a model of the brain trying to identify different structures. God is helping me to meet the challenge of designing this course.

Our church building is done and has been dedicated to the service of God's people. The link will take you to a brief video made by the DDG about the construction of our temple if you'd like to hear us passing the peace at the dedication service and see a summary of the work done.

<https://youtu.be/ZCBJQ3pki2g> . This is a picture of Quisqueya and Berkys dressing the altar on the day of the dedication this past December. Please pray for God's work of loving our neighbors in Santa Fe to be facilitated through our congregation members.

Thank you as always for your support! I pray that God opens your eyes to the needs of those around you and blesses you as you bless others!

In Christ,
Cathy
