

Thank you for your prayers while I've been in the US on home ministry assignment. I've had the pleasure of sharing about the ministry I've been doing in the Dominican Republic in person, through sermons and presentations over the last few months. I have renewed some connections and made some new ones as God has opened doors for these visits. The current plan is to return to the clinic in San Pedro and my community of Santa Fe in early September. I am looking forward to returning to this ministry and my friends and church family there. This picture is from a presentation at St. Matthew's, my home church in Grand Junction, showing a slide of a bus journey to a diocesan-wide event. Please pray for a blessed completion to the home ministry assignment and a smooth re-entry to the Dominican Republic!

There have been two deaths of young friends from Santa Fe since I have been in the US. Kendall has been mentioned in previous quarterlies, as a motivated co-worker in the clinic. Additionally he was the son of my priest and a leader of the young adult group in Santa Fe. He was engaged to marry a terrific gal, Clarisa, this fall. Unfortunately he drowned in April while visiting friends in another city in the DR. Betania was a young woman in my church who was involved as an acolyte and active in the young adult group. She had struggled with health issues since her birth due to a blood disorder. The night before Pentecost, the young adults in San Pedro held a vigil service and she suffered a stroke while there. This was not her first stroke, though it was her last. She died two days later. Please pray for the community of Santa Fe, especially the young adults as they mourn our good

friends.

I have once again launched a website. This time I believe it will still be there when you get this letter, unlike a year ago! The new address is www.cathydonahoe.net. I will try to update photos every month or so. Please check in when you get the chance! May God bless and guide you in all you do!

In Christ,
Cathy
